

Dear Southerners,

I am getting ready for my spring/summer travel schedule. I look forward to meeting many of you in my travels. I will be traveling to the ICCFA Convention in San Antonio, Texas, the Texas Cemetery Association meeting in Austin and the Virginia Cemetery Association in Richmond. Rob Ysidron, Jr., President Elect will take over after the SCCFA convention in July. I am sure he will do an excellent job.

Get ready for the SCCFA convention this July 11-13 in Myrtle Beach, South Carolina. Information on this meeting is enclosed in this newsletter. I am sure Rob, our convention chairman, is going to have a great program for us and some wonderful speakers. Myrtle Beach is a great place to bring kids and grandkids so make plans to come early and t stay late.

When thinking of something to write about I could only thing of one thing - Perseverance. As a native of New Orleans, I can only say we finally did it. When things get tough, dig down in your soul and persevere. Good things come to those who work hard; and nothing worthwhile comes easy. After 43 years the Saints finally won the Super Bowl!!! WHO DAT!!! You never know when the next big decision you make will be the winning one.

From the “Who Dat Nation!!!”

Larry Chedotal, Jr.
